

# universal corner bead

- reinforcement of corners and edges with an angle  $75^{\circ}$  up to  $179^{\circ}$
- practical and easy to handle - the profile is delivered in rolls
- eliminates the need to connect the profile - the profile is delivered in rolls
- protects the corners, edges and jambs of windows and doors against mechanical damage
- aesthetic appeal - forms perfectly straight corners
- corner profiles cover over corner areas in optimum way
- chemically stable, not reacting with a plaster

Material	Dimension	Ordering No.	Length	Packing
	mm		m	pcs
PVC	50	C/09	25	box, PE bag

## Recommendation:

A recommended clip on distance is 10 cm.

To shorten the profile use scissors designed for work with plastic profiles.

## Storage:

Profiles packed in boxes or in rolls should be stored in a dry environment.

Maximum recommended storage time is 24 months.
